We have aligned and partnered with the world's largest eCommerce site. We are working with Media, Non-Profits, and consumers for positive financial opportunities. We desire to partner with you and {Company Name} to develop additional revenue streams for you.

Let me introduce the concept to you through the following short videos.

Once you team up with us, we will provide guidance on how develop a large residual monthly income as well as developing a lead capture system that will dominate your market. This is done by:

1. Having your own link to the worldwide eCommerce site and by inviting your readers to participate in the Cash Back Rewards system. You would receive a 25% on every \$ of Cashback generated by your users.
2. Opening doors to charities and to connections worldwide and in India whereby additional revenues for you would be generated
3. We would give you full support in your endeavors with us.

I will call you early next week to answer questions or feel free to contact me at your earliest convenience.

I look forward to our time together.
