## Ezines

Solo ezines are a strong, effective and inexpensive way to advertise. A solo ezine is an ad sent out to the entire subscriber base of an ezine.

In making your decision in which ezines to advertise in, it's all about "reach" and "budget." Meaning - how many people do you want to "reach"? And...more importantly - "what is your budget?" Reach and budget go hand in hand. Always remember that you get what you pay for. Higher prices mean higher circulation.

We have created a list of companies with their eZine prices below (some are free). We are aware that these companies may also offer other services but we have only listed them by general price-range for their ezine ads.

<i><b>Ezine</b></i>	<i><b>Reach/Type</b></i>	<i><b>Price Range</b></i>
