Long Description:

The mission of group is to provide a vibrant Community. Focused on interaction, networking, and professional growth in the KEYWORD Industry. The group is highly moderated by Community members like you to keep this forum focused and productive.

Here's what the group is for:

1. SHARING YOUR SUCCESSES (or Failures). Tell the group what you've been doing, what is working or not, problems and issues, anything that will help you be successful in your profession.
2. SHARE CASE STUDIES, RESEARCH AND RESOURCES.
Everyone loves things that can help them learn.
3. OFFER HELP OR ASK FOR HELP.
Lots of members are willing to share their personal time to help you achieve your objectives. Just ask.
4. POST NEWS, NEW IDEAS, NEW CAMPAIGNS, etc. If it is new and relevant, share!

NO SPAM OR DIRECT SALES PITCHES ARE ALLOWED! Anyone posting direct sales pitches is warned once, and permanently banned the second time. A rule of thumb is simple: if your message does not contain a contribution of value and leads to any kind of commercial or paid website or blog, IT IS PROMOTIONAL! Please respect the intelligence and integrity of group members and post only to the Promotions area. .

Group Rules:

HERE ARE THE SIMPLE GROUP RULES:

1. Add Value, not Spam.
2. NO business opportunity is allowed to be directly promoted in the group. This is not the forum for that type of business. .
- 3.. Please do not continually repost the same message, either in discussions or jobs. People will see it the first time.
- 4.. The jobs section is for full-time jobs and related content for job hunters. Resume writing services, commission only employment or jobs that require any kind of payment by the job hunter are not allowed.
5. A weekly email is sent to group members who opt-in to receive it. This email contains events, webinars, white papers and other useful resources, many of which are free. We also negotiate discounted special group rates on select products and services.
