

MyEmailMentor

Commission Stats Page

For this part of the training, we are going to go through how to set up your commission accounts as well as how to see how much you have earned and to see how many Clones you have.

1. **Fill Out Your Personal Information** - This is the top of the page and speaks for itself. Please fill out the form with your information. For the PayPal Email ID, we need your PayPal Username so that we can send your commissions each month.
2. **Commission Payouts:** Commissions are paid out on the 25th of each month for all of the clicks generated in the previous month. Commissions generated by you and your clones in the month of June, are paid on July 25th. Please note that there is a \$400 minimum Commission payout. If your commissions at the end of the month total less than \$400, then the commissions will roll over to the next month until the \$400 threshold is made. Minimum commission payments is industry wide and is used by every affiliate program including Amazon.com, Clickbooth.com, Clicksure, Clickbank, Maxbounty etc. Follow the system and you will make it to that point and get paid. Many people get paid in their very first month.

Commission Stats:

By going to the Commission Stats section of the COMM STATS page you can click on a report for today, or for any other time frame you choose and see your earnings for Level 1, Level 2 as well as Fast Start bonuses.

Here is what the report will look like:

	Clicks	Commission
FAST START BONUSES		\$0
Level 1	5	\$1.00
Level 2	395	\$39.50
Total		\$40.5

MY REFERRALS:

This is by far the most important section of the Commission Stats page. As you should have read in the Clone Section, for anyone you refer to MyEmailMentor you receive 10 cents a click for every click that they generate.

By looking at the report, you can see 2 VERY IMPORTANT Things.

1. You can see all of your referrals that have set up their entire system and that are generating clicks every single day. For every click they generate, you earn 10 Cents! If they make \$700 in a month...you make \$350! Get 10 referrals and you can earn upwards of \$3500 a month! And it's FREE for them to get set up!

2. In addition to being able to see the ones that have set up their system and that are making money for themselves, as well as you each day. You can also see the all of the people that have NOT set up their systems yet. Now. Know that we are sending them emails every day encouraging them to come and set up their system. BUT... You should send each of them a personal email as well. Just a quick note letting them know that you are their sponsor and that you will do anything you can to help them get set up and running. Remember, each and every one of them that get's set up under you can make you upwards of \$350 a month or more! Take 10 minutes every day and send them an email and encourage them to come back to the members section and get signed up. It is absolutely worth it.
