

## PinProfits Master Training

This is the core of the PinProfits course. Here you will learn everything that you need to know to get started with Pinterest. You will also learn the best strategies for getting targeted traffic to your websites and earning commissions promoting affiliate products.

### Module 1 – Getting Started with Pinterest

Learn how to get started with Pinterest. Set up your profile and become familiar with the basic features of the hottest new social media platform around.

### Module 2 – Pinterest Fundamentals

Now that you're all set up with Pinterest, watch these videos to learn some of the fundamentals of how to use this popular social media site. In this module you will learn how to pin images, create boards, and much more.

### Module 3 – Getting Traffic and Earning Commissions

Start generating targeted traffic with Pinterest. These videos will guide you through the process of creating pins that will siphon traffic from Pinterest directly to your websites and affiliate promotions.

### Module 4 – Optimizing Your Pinterest Marketing

In this last module, you will learn some great tips that will help you turn your Pinterest profile into a traffic-generating machine.
